THE REVELATION CHURCH OF GOD SUPPORTS GOVERNMENT'S 100 PERSON THRESHOLD DURING CHURCH SERVICES

The announcement of President Ramaphosa regarding the position taken by cabinet in curbing the spread of the Corona Virus that is ravaging most parts of the world including our country refers.

The Revelation Church of God Leader and Founder Dr. Prophet uZwilezwe Radebe declared the suspension of the normal running of church services at his 65 church branches in support of preventative measures taken by our South African Government.

To that end, the responsive leaders of The Revelation Church of God's 65 churches have taken a stand to suspend the normal running of their church services as directed by their leader to limit the number of attendees to only a 100 people at a time. It is to be noted that for an African Indigenous and Spiritual church this was a hard decision. However, we view this stance as a continuation of a sacrifice not foreign to the Revelation Church of God practices.
